

## Our Customers tell it like it is . . .

*"I was very impressed with the recent work you did for Shred-It. The MOSKAL electric team stayed on top of the quote the whole way, did the work on time and most importantly, under budget! All the wiring was done quickly and professionally. You had us operational early the same day and everything works.*

*We would definitely recommend MOSKAL electric to other Winnipeg businesses."*

Neil T. Batchelor, General Manager  
Shred-It International Inc., Winnipeg Branch  
One of Canada's 50 Best Managed Companies, Year 2004

## Voice, Data and Electrical Cabling

MOSKAL electric ltd. specializes in the design, installation and maintenance of electrical, data and voice cabling solutions for commercial and industrial clients in Manitoba. Our 25+ years of experience in the business translates into efficient and innovative installations for our clients.

If you are expanding, renovating or relocating your commercial office, OR if you are installing new computers or relocating computers within your office the MOSKAL electric professionals will safely handle all your cabling needs.

- network cabling solutions
- full electrical design and installation
- lights, plugs & equipment
- emergency lighting
- fire alarms
- power for indoor & outdoor signage
- electrical, data & voice testing
- emergency repairs
- maintenance contracts

MOSKAL electric ltd. is COR certified and provides a full ONE YEAR WARRANTY on all work.

*"We at Westwood Mechanical have always appreciated dealing with MOSKAL electric in their capacity as a subcontractor to us.*

*The quotations have always been accurate and timely. MOSKAL electric attends all required site visits and has been instrumental in pointing out possible project shortcomings.*

*We are pleased with the caliber of MOSKAL's workforce. They are well organized and strive to complete their portion of work within the time constraints of the project. The cooperation with other trades is always exceptional.*

*We would highly recommend MOSKAL electric for electrical and computer cabling projects."*

Ryan Einarson, President  
Westwood Mechanical

Highest standards of professionalism, ethics and craftsmanship!

*"MOSKAL electric has consistently shown a strong understanding of our data, electrical and voice cabling needs and were able to make suggestions for better solutions.*

*The efficiencies you offered have continually saved us money."*

Lauren Gervais, President  
Data Probe Inc.
